## MARQUEES

# OUR RANGE

Hirepool Events specialises in the hire of quality clearspan aluminium framed marquees, which do not require guy ropes or centre poles offering the ultimate in strength, useable space and convenience.

We can supply everything from a 3x3 Ezy up to a 40m x 100m Solid Wall Temporary Structure. There's very little under the Marquee range we cannot supply you.

Our main stock of marquees are listed by widths and consist of 6m, 10m, 20m, 25m 30m and the huge 40m 'Frame' marquees. Some marquees carrying optional extras like clear window walls, solid panels and French doors for a unique visual look and effect, Complimenting this with silk linings, flooring solutions, dance floors, lights & staging and you will have the full solution.

Our 20m structure comes with either option of 2.4m, 3m or 4m high side walls. The 25m, 30m, and 40m marquees come standard with 4m high side walls and a unique solid wall ABS panels offering a further quality feature to your structure needs.

Trade shows, Corporate Functions, Balls, backyard parties or any event, your scope for marquees & tents is only limited by your imagination or budget - and that's where we can help.

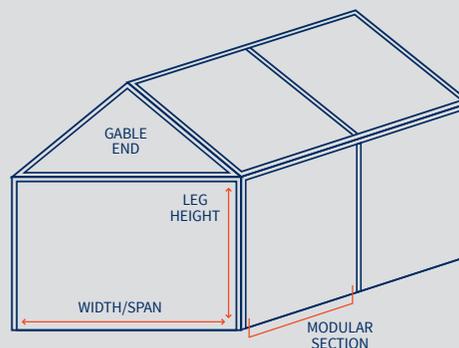

We can help you from start to finish providing a Marquee for your event which fits in with your budget.
